

## BULLETIN

BVO is always very grateful for donations of salable items to our Treasure Shop, which help to fund our community programs and services. Since the move to our 54 King St. location, however, there has been a large increase in donated items that we simply cannot use, resulting in unnecessary time and expense for their disposal.

Signage on BVO's donation bins lists items that we cannot accept. If you're unsure, please ask a Treasure Shop volunteer or check [www.bvo.ca/treasure-shop-donate.cfm](http://www.bvo.ca/treasure-shop-donate.cfm)

**In particular, please do NOT donate:**

- **Furniture of any kind**
- **Baby Equipment (strollers, etc.)**
- **Assistive Devices (walkers, etc.)**
- **Large Paintings** (small paintings OK)
- **Light Fixtures or Ceiling Fans** (table lamps OK)

Thank you for your help in "making good things happen in our community"!
